for

With reference to the subject mentioned above, the Principal of Emerald Heights School, Akola, had submitted an application for obtaining a Building Safety Certificate for the English medium school building situated at Geeta Nagar, Akola, Tal. & Dist. Akola.

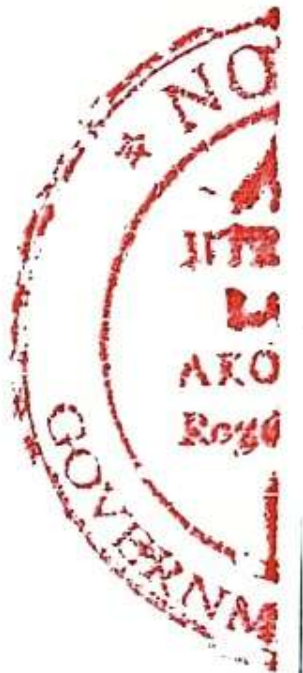

Accordingly, the said building was inspected on 23-12-2025 by the Assistant Engineer, Class-I, PWD Sub-Division No. 1, Akola, and the Sectional Engineer. During the inspection, it was observed that the building has adequate fire safety measures, and arrangements for sanitation and drinking water are satisfactory. From the structural and technical point of view, the building has been found to be in good condition.

Considering the above points and in the interest of students' education, the Building Safety Certificate for the said school building is hereby issued and shall remain valid up to 31-12-2026.
